Curriculum, Pacing, & Assessment Map Check-Off Sheet

PLC Grade(s)/Dept.: _____ Content Area/Course: _____

Please fill out this sheet when your curriculum map has been completed & send it with the map.

The Primary Items Listed Below Are Included in This Curriculum Map:	If Included: X
Every "current" or "soon pending" MI Content Standard is included on this map.	
All MI Content Practices are included on this map.	
There is a common pacing guide in this map.	
Units, chapters, pages, modules, etc. are associated with each standard/practice.	
Activities, labs, resources, technology, etc. are associated with each standard/practice.	
Every MI Content Standard and Practice has at least one associated assessment.	
All PLC members understand this map and are in agreement to support it.	

Signing Off on a Completed Curriculum Map

All of the above content has been covered on this curriculum map. There is enough information so that teachers have a collective plan for the content being taught, pacing, resources, and associated common assessments.

We are signing off on this map so that it can be placed on the district website. We understand that our PLC members may make minor modifications and additions (as necessary) when the PLC team and administrator are in agreement.

PLC Teacher Representative's Signature & Date _____

PLC Administrator's Signature & Date _____

Teaching & Learning Director's Signature & Date _____

PLC Administrator: At the time of an amendment, please write a brief explanation of any modification(s) or addition(s) that have been made to the map in the space below. Date, initial, and send this document and the revised map (electronically) to the T & L Director to be updated on the Teaching and Learning webpage.
