Newsletter- Welcome Back

## Welcome back!

The 2023/2024 school year is going to be a great one! We are looking forward to supporting our students and staff, all while enjoying our family friendly events too. We are eager to get to know you and yours through our many volunteer opportunities. Please make sure you take the time to get your background check completed. It is quick and easy!

Please consider being your classroom PTO parent representative this year. This is new, but we suggest that parents could work together to ensure that their child's grade level is represented at each PTO meeting. We are eager to hear your thoughts and suggestions as classroom parent reps!
